The Jan Gardner Memorial Scholarship

Jan was a dynamite lady, one who loved the 7th and the advertising industry. She would burst with pride to know the scholarship program has progressed and the student competition has also grown, in addition to the STAR awards. She was a multi-talented lady who not only was a brilliant copywriter but an accomplished producer, director and had one of those wonderful silver-toned voices that made you want to listen to every word when she voiced a spot.

—Trena Street, Former Seventh District Governor
